

**University of California, Irvine
DESIGN REVIEW TEAM (DRT)**

MISSION STATEMENT

The Chancellor established the Design Review Team (DRT) in 1989 to review and advise on campus planning and design issues, including schematic building designs, landscaping, street furniture and signage, and other proposals that would result in substantive changes in the appearance of the UCI campus. Review of proposals by the DRT shall occur prior to submittal to the Campus Physical and Environmental Committee (CPEC) for approval.
