Exempt Status (check one):
☐ Ministerial (Sec. 21080 (b)(1); 15268);
☐ Declared Emergency (Sec. 21080(b)(3); 15269(a);
☐ Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
☐ Categorical Exemption. State type and section number: Class 1 (Section 15301)
☐ Statutory Exemptions. State code number:
☒ General Exemption (Sec. 15061(b)(3)).

Reason Why Project is Exempt:
All buildout assumptions for the North Campus in the 2007 LRDP, including the allotted 950,000 GSF for "Office/Research & Development" and 13,384 average daily trips (ADT) that were analyzed within the associated 2007 LRDP Environmental Impact Report (EIR), would not be modified due to the Administrative Clarification. As such, no additional impacts beyond what was previously analyzed in the 2007 LRDP EIR would occur. Any subsequent projects sited on the North Campus would have a project-specific environmental analysis prepared pursuant to CEQA. Therefore, the LRDP Minor Amendment, Administrative Clarification is a General Exemption, where there is no possibility that the action would have a significant effect on the environment, under Section 15061(b)(3) of the CEQA Guidelines.
